

SPICE OF THE MONTH

AT THE CROTON FREE LIBRARY

October is our final Curry Quarterly installment!

We hope you've enjoyed learning more about curry with us this year! This is our fourth and final installment of our Curry Quarterly series, and instead of a spice sample in this month's kit, we've created an opportunity for you to make your own: Come to our **Potluck & DIY Curry Blend workshop on Thursday, Oct. 10, 5-6pm.**

Learn more about different curries and make your own blend. We'll have jars and whole spices on hand so you can grind them into your very own curry powder. We'll also have a potluck snacktime, so bring any dish (curry or not!) you'd like to share with your fellow Croton cooks.

The event will be free and open to all, but registration is requested! Visit our website, go to tinyurl.com/CroLibPotluck or call us at 914-271-6612 to sign up.

If you can't make it, we've included one popular curry formula below, plus several additional curry recipes from our cookbook collection so you can experiment on your own at home. Stay tuned for more Spice of the Month fun for the rest of the year and into 2025!
